Department of Education, Art & Culture

Directorate of Education

Order

No. ACAD/PER/18/2005/Vol.IV/773

Read: Memorandum No. ACAD/PER/18/95/Pt.file/129 dated 25-1-2007.

Whereas, the Directorate of Education vide office memorandum referred to above, pointed out to the School Management various acts of irregularities and they were asked to show cause as to why the provision of Section 20 of the Goa School Education Act, 1984 should not be invoked to take over the Management of Peter Alvares Memorial High School, Morjim Pernem initially for a period of three years.

And whereas, the Chairman of the School Management submitted the reply dated 23-2-2007, interalia, stating therein that the allegations in the memorandum are frivolous and that they have not been furnished with materials on the basis of which the aforesaid memorandum has been issued.

And whereas, the Chairman of the School Management in the reply contended that the entire action of the Directorate of Education is tainted with malice and politically motivated and that they have not received any complaints against the School Management.

And whereas, the School Management further contended that no complaints are received against the new School Managing Committee and mere filing the complaints do not serve any purpose and that the alleged complaints are false and baseless.

And whereas, the School Management also contended that the termination of any teacher cannot be a ground for taking over the management of the school, and with regard to the allegation that there are threats issued to the teachers to initiate disciplinary proceedings, it is within the power and prerogative of the School Management to take disciplinary action against its employees. The Chairman further stated that they have not issued notice and threats to close down the school nor they have such intention to close down the school.

And whereas, so far as the allegation concerning the non-renewal of the Society's Registration, it is the contention of the School Management that as the School was with the Government, it was not feasible to renew the Society and that they are in the process of getting the renewal and the same cannot be a ground for taking over the Management of the School.

And whereas, the School Management further stated that the allegation in the memorandum that Shri Cajetan Pereira, Chairman is managing the affairs of the school in an arbitrary manner and indulging in taking arbitrary decisions and creating unhealthy situation in the school which is detrimental to the cause of education is absolutely vague and further pleaded that they have not contravened the provision of the Act and Rules and failed to perform duties and mismanaged the affairs of the school and run the affairs of the school in a manner prejudicial to the public interest. Hence, the memorandum dated 25-1-2007 be revoked.

And whereas, the Director of Education did not accept the arguments putforth by the School

Management that the allegations in the memorandum are frivolous and that they have not been furnished with the materials on the basis of which the action of taking over the Management of the School is proposed to be taken as there is enough material available with the Management themselves.

And whereas, at the outset, it is pertinent to state that when the school was handed over to the Shramik Sudharak Shikshan Saunsta vide order dated 21-11-2005 and subsequent corrigendum dated 3-3-2006, it was specifically stated in the said order that the School Managing Committee shall run the school in the best interest of students and public.

And whereas, Shri Cajetan Pereira, while functioning as Chairman of the new School Managing Committee, on taking over the school started resorting to his old tactics of issuing various letters to the teachers/employees.

And whereas, the said Chairman vide letter dated 9-6-2006 requested the Director of Education to grant approval to terminate the services of Shri D. S. Halarnkar and Smt. Alka Mayekar falsely stating that the Management has completed the procedure as laid down in rule 100 and 94 of the Goa School Education Rules, 1986, while the records shows that they did not follow any procedure as contemplated under the rules.

And whereas, the Chairman issued a letter dated 1-8-2006 informing Mr. Alka Mayekar to show cause as to why her services should not be terminated with effect from 1-9-2006. But subsequently, when the Department intervened in the matter by rejecting the approval for the termination, the Chairman withdrew the order of termination.

And whereas, Shri Cajetan Pereira, Chairman issued show cause notice dated 24-2-2006 to one of the teachers namely, Shri Nazareth Fernandes asking him to show cause as to why the promotion awarded to him by the authorized officer should not be withdrawn.

And whereas, it is significant to point out that the Chairman initiated the action against the above employees at his own instance and without placing their matters before School Managing Committee to pass proper resolution in support of such actions which shows the entire action of the Chairman was taken in an autocratic and arbitrary manner.

And whereas, the Parents Teachers Association of the said school made a complaint dated 23-8-2006 with a copy endorsed to the School Management, inter alia, stating that the School Management has indulged in gross mismanagement of the School.

And whereas, the Chairman in his written reply denied of having received any complaint against the School Managing Committee but in his own letter dated 17-10-2006 to the Director of Education, he admits the fact of the complaint received from the Parents Teachers

Association with assurance to extend full co-operation if the inquiry is conducted into the said complaint by the Director of Education and hence the contention of the Chairman that no complaints were received has no force and therefore cannot be accepted.

And whereas, Shri Cajetan Pereira, Chairman also issued a show cause notice dated 19-9-2006 to Shri D. K. Mandrekar, Headmaster of the school asking him to show cause as to why disciplinary action should not be initiated against him as per the Act and Rules.

And whereas, Shri Cajetan Pereira, Chairman, on receiving the complaint dated 20-11-2006 from the Parents Teachers Association, addressed a letter dated 18-12-2006 to the Headmaster and Teachers of the school informing them that the valuable life of teachers and the Headmaster should be saved on a war footing and advised them to resign from their jobs to protect their valuable lives and to ask the students to shun the school and to advise the parents to withdraw their children from the school.

And whereas, Shri Cajetan Pereira, Chairman also issued a notice dated 30-2-2006 informing all the students and staff that the Management have decided to close down the school from April, 2007 and made a request to parents to withdraw their wards.

And whereas, it is to point out that in terms of Rule 33 of the Goa School Education Act, 1986, no School Management shall close down a recognized school or existing class or a division in such school without giving full justification and without the prior permission of the Director.

And whereas, in one of the letters dated 5-12-2006 issued by the Chairman to Smt. Alka Mayekar, Asstt. Teacher, it is seen that she has been asked to quote provisions under which the authorized officer re-instated her, failing which she has been threatened that her services will be terminated from January, 2007.

And whereas, Shri Cajetan Pereira also issued a memo dated 18-1-2007 informing some of the teachers that all the promotions and increments which were given by the Authorised Officer are illegal and also threatened them to deduct corresponding amount from their salary with effect from March, 2007.

And whereas, it is pertinent to state that in terms of Rule 95, the School Managing Committee, being the Disciplinary Authority is competent to take action against the employees of the school. However, whatever actions taken by Shri Cajetan Pereira are not supported with resolutions of the School Managing Committee and such action smacks arbitrariness of the Chairman.

And whereas, the contention of the Chairman that no complaints are received or there is no intention to close down the school is not acceptable in view of the notice issued by him indicating his intention to close down the school.

And whereas, the contention of the Chairman that it was not feasible to renew the society since the school was with the Government is also not acceptable as the affairs of the school and if not of the society were managed by the authorized officers of the Department. The very fact that the school is run by an un-registered society itself shows that the Management has neglected to perform the duty as imposed under the Rules.

Now, after detailed examination of the replies submitted by the Chairman, the Government is convinced of the circumstance which call for immediate taking over of the Management of the said Peter Alvares Memorial High School, Morjim by invoking the provisions of sub-section 20 of the Goa School Education Act, 1984.

Therefore, in accordance to the provisions of said sub-section (1) of Section 20 of the Goa School Education Act, 1984, the Government hereby orders to take over the Management of Peter Alvares Memorial High School Morjim with immediate effect for a period of three years in the first instance Shri Ashok L. Rane, Dy. Education Officer, North Education Zone, Mapusa is hereby appointed as Authorised Officer on behalf of the Director of Education, Government of Goa to conduct the activities of the school. The Authorised Officer, shall discharge his duties as per the provision of Goa School Education Act, 1984 and Rules made thereunder and as per the instructions issued to him by the Directorate of Education from time to time. Among other things the Authorised Officer shall:

1. exercise full control over administrative, financial and academic matters of the school and ensure that all the employees of the school are punctual in attendance and prompt in discharge of the duties entrusted to them by general or special orders as deemed fit;
2. be responsible for maintaining strict discipline on the part of all the employees including the Headmaster and students of the school;
3. be responsible to ensure that all the employees of the school including the Headmaster are present in the school during office hours as prescribed by the Authorised Officer and no employee including the Headmaster shall be allowed to leave the premises of the school without prior written permission of the Authorised Officer and that representations, if any, shall be routed through the Authorised Officer;
